NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.silehw.org</u> or call 1-618-998-1300. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In-Network: \$1,250 per Individual/\$3,750 per Family Out-of-Network: \$3,500 per Individual/\$10,500 per Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In-Network Preventive, MD Live Provider, Hearing, Smoking Cessation, Vision and Prescription Benefits are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>in-network preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$50 Dental <u>deductible</u> . There are no other specific <u>deductibles</u> .	You must pay all the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Medical In-Network: \$4,500 per Individual/\$9,000 per Family Pharmacy In-Network: \$2,350 per Individual/\$4,700 per Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-</u> <u>of-pocket limit</u> ?	Premiums, balance-billing charges, penalties for failure to obtain precertification, penalties for utilization of emergency room care for non-emergencies, and health care this plan does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. www.bcbsil.com or call 1-800-624-2356 for a list of providers.	This <u>plan</u> uses a <u>provider network</u> . You pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay more if you use an <u>out-of-network provider</u> and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan pays (balance billing)</u> . Be aware your <u>network provider might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider before you get services</u>.</u>

Do you need	a <u>referral</u>	to	see	а
specialist?

You can see the <u>specialist</u> you choose without a <u>referral</u>.
